The Suffolk County INVENTORS & ENTREPRENEURS CLUB

Disclaimer: The County of Suffolk, its officers, employees or agents shall not be liable for damages, losses of any kind, or misappropriation of intellectual property or ideas arising out of the activities of the Suffolk County Inventors and Entrepreneurs Club ("Club") or any advice, opinions, or statements given by any attendees of the Club. The County of Suffolk, its officers, employees and agents do not represent or endorse the accuracy or reliability of any advice, opinions, or statements expressed by the Club or anyone in attendance at any meeting of the Club, including but not limited to assigned speakers. Any reliance upon such advice, opinions, or statements shall be at your own risk.

“Thought is the original source of all wealth, all success, all material gain, all great discoveries and inventions, and of all achievement.”

Claude M. Bristol

“Success consists of going from failure to failure without loss of enthusiasm.”

Winston Churchill

“In order to attain the impossible, one must attempt the absurd.”

Miguel de Cervantes

Keep Moving Forward

“Suffolk County has a robust community of local inventors. It is important that inventors and entrepreneurs become familiar with all of the resources available that will help to move their projects forward. Suffolk County helps them do that by hosting this program.”

Steven Bellone, County Executive

About Us

Since the kick off in 2007 the Suffolk County Inventors and Entrepreneurs Club has grown considerably with nearly 5,000 people having come through the door. Each meeting offers a topic discussed by an expert speaker and time for inventors to mix with business people, attorneys and those who would like to start their own business. The Club is a meeting place for inventors with patents pending, others who have sold or licensed inventions and those who have lots of ideas but don't know where to start. The Club also holds an Inventors Showcase where Club members can display their inventions to receive feedback and encouragement from fellow inventors. Everybody is welcome and attendance is FREE.

An Eye Toward The Future

The Club welcomes young entrepreneurs, high school and college business classes, the curious, and the next wave of inventors and entrepreneurs to join in, learn, network and share.

Patent Programming

With visits from guest speakers from institutions such as top law schools to the U.S. Patent and Trademark Office, the Inventors and Entrepreneurs Club is the place to be to get up to speed on protecting your intellectual property – all at no cost to Club participants.

Growing Your Venture

Every year the Club features experts from the business community who are knowledgeable about the entrepreneurial process, finance, manufacturing, and import/export who are eager to share their knowledge on starting up and growing your venture.

Annual Showcase

Once a year we invite our participants to showcase their new products, prototypes and inventions. Applications may be submitted at anytime for this annual event (date TBD).

2017 MEETINGS

This year we will be collaborating with Nassau County Inventors and Entrepreneurs, LaunchPad LI and the Patent and Trademark Resource Center at the Smithtown Library to offer a variety of programs. Suffolk will offer three programs.

March 21 | May 16 | November 28

Suffolk meetings are held Tuesdays from 7-9p.m. at the H. Lee Dennison Building, Media Room, 100 Veterans Memorial Hwy., Hauppauge, NY 11788

Use the East Entrance and you will be shown to the meeting room.
